

FISCHERSTUHL

cub

Rucksack and seat in one. The fisherman's seat is the ideal angling companion. With the wide base compartment it's even safe and secure when standing on uneven surfaces, and with its aluminium folding frame, it is robust and easy to carry. In the large main compartment of the Fisherman's Seat and its mesh pockets there is space for everything you want to carry with you on a fishing trip. The sensible division of the front pocket is ideal for storing bait, lines, hooks and other fishing utensils neatly for easy access. And on your journey home there will still be enough room for your big catch. This Fisherman's Seat is also an ideal accompaniment for a picnic.

Features: ① Sturdy aluminium frame ② Main compartment with drawstring can also be locked ③ Mesh pocket ④ Front pocket and sensible divisions and affixed pocket

Reliable protection for shoes and trouser legs. These gaiters protect from wetness and dirt on muddy grounds and in the snow. In thick undergrowth they protect your legs from thorns and sharp branches, thereby preventing your trousers from being damaged or any injuries.

Material Gaiter 210 HD short light: 210 Den Nylon Oxford PU // **Material Gaiter 420 HD short:** 420 HD Nylon
Material Gaiter 420 HD Junior: 420 HD Nylon // **Material Gaiter 420 HD:** 420 HD Nylon

High-tech, extremely breathable gaiter. All of our gaiters offer reliable protection against wet and dirty terrain, snow and undergrowth. What makes this model special is its extreme breathability. The eVENT® membrane used here enables maximum breathability without a “breathing passive” PU coating. More detailed information can be found in the ‘Materials’ chapter.

Features: ① eVent®-membrane ② Taped seams ③ Adjustable hypalone shoe attachment loop ④ Zip front opening with Velcro covering ⑤ Attachment hook for laces ⑥ Inside reinforcement for crampon protection
Material: eVent® 3L
